Dear Andrew,

How are you feeling today?

I heard that you caught a cold.

I had the same problem two weeks ago.

But I got healthy quickly by doing a few things.

First, you do not have to be too active.

Instead, you have to see a doctor so that you can get healthy.

You must get as much rest as you can.

You also have to drink a lot of lemon tea.

I recommend drinking four cups of tea each day.
You must have a bowl of chicken soup at each meal.
I hope you get healthy soon.

Your friend,

Tina
